NEWS AND CHANGES

MOPARS AT THE STRIP CHANGES to Muscle Cars at the Strip for March 18, - 20th. NOTE new dates for 2016. Art Leger spoke with representatives of MATS and found out that the number of participants, vendors and sponsors was declining that resulted in the Change to Muscle Cars from MOPARS meaning Fords and Chevys will now be included in this car show and drag racing in Vegas. Apparently it doesn't stop there as **MOPAR NATIONALS** in August is facing similar declines in sponsorships and vendor participation which may result in a change there.
