Muscle Cars at the Strip in Las Vegas:
<http://www.matslv.com/>

After 14 successful years Mopars at the Strip (MATS) is expanding due to demand to include GM and Ford Enthusiasts. (**3 SHOWS IN 1**) to become **MUSCLE CARS AT THE STRIP**. *Originally the event was called Mopars at the Strip, over the years many others have recognized what a great event MATS is and have wanted to join the fun with their Mopar friends. The addition of an*

invitation to all Ford and GM Enthusiasts is an opportunity to join this already successful event. This new format is an opportunity for the Mopar community to showcase their passion for their favorite brand, while embracing the same passion enthusiasts have for Ford and GM. The magic of the manufactures Muscle Car Wars of the late 60's and early 70's provided great styling mixed with performance break through from each camp. Currently each manufacture is competing again in this market just like before. Embracing the current Muscle Car Wars is a chance to enjoy the magic of speed and beauty combine with modern technology. Please join us as we all celebrate our appreciation and love affair with the All American Muscle Car. With events like Drag Racing, Car Show, Swap Meet, Manufacturers Midway, MoPower Cruise, Pony Car Wars and Cannery Concerts. This event has more to see and do than any other muscle car event in the country.
